CONFIDENTIAL

Bangalore, 23rd August 1916.

Dear Narasingaiah,

I understand from a confidential source that a block of buildings known as the Mission buildings, behind the Market square and close to the Kolar - Bowringpet District Board Railway line, at Bowringpet Town, is for sale. I have seen the buildings personally, and find that they are erected on the kharab portion of survey number 69 of Bowringpet village, measuring about 1¼ acres, and was wondering how this land came to be alienated or the buildings constructed thereon. It was then not convenient to acquire them either, but now that the owners themselves wish to part with the property, it would be as well we bought it for the Police of Bowringpet Town. The property is said to be offered for about Rs.2,500, and with a few alterations and partition walls etc, at an outlay of about Rs.2,000 or so, some 24 or 26 policemen can be housed therein. The strength of the Bowringpet Town Police is 22 men and 2 officers, and these buildings will come in so admirably handy for our purpose.

There is a dearth for cheap houses for our men in the Town, and they have been complaining that they are being put to considerable difficulty for want of proper accommodat and the building of lines is only on a big programme.

The value of house property in Bowringpet is very high, owing to its vicinity to the Gold Fields, and with my experience of the locality and of the other parts of the St where I had acquired for Government several buildings, both large and small, it looks that the price they now want is cheap.

(7

The building, I think, is a fairly substantive one, with Mangalore tiled roofing, and were it for the site alone, the property is well worth acquiring, being so conveniently situated and near the Taluk Cutcherry etc. I am writing to you confidentially just to keep the information as close as possible so that they may not run up the price.

Meanwhile, I shall thank you to kindly obtain the views of Government if we may buy them. If the proposal is agreeable to them, we may then ask the D. P. W. to inspect and value them, and if the buildings are good and the price is considered reasonable, the bargain may be closed, the amount being paid out of the current year's allotment for Police buildings.

Yours sincerely,

Sd/ K. Srinivasaiya

Sir,

With reference to your letter No.J.3808/Pol.36-16-4 dated 1st May 1917 calling for certain information regarding the purchase of the Mission buildings at Bowringpet, I have the honor to state that Mr. C. Srikantesvara Aiyar's report that the building was offered for Rs.2,500/- appears to have been based on information obtained by him from the local officers at the time. The Deputy Commissioner of Kolar who was written to in the matter now reports however that from enquiries made by him, he understands that the price of the buildings has gone up, owing to the rise in the value of the site as well as materials as also because of the additions made to them including the sinking of a well providing a supply of good water and that in the circumstances, the building is well worth the sum of Rs.5,000/- said to be now demanded for it by the Mission.

2. The Deputy Commissioner further reports that the Mission authorities who had been consulted in the matter are prepared to receive Rs.5,000/- for the buildings,

besides the expenses of the transfer.

3. Under these circumstances, I request that you will be so good as to obtain early sanction of Government for the purchase of the buildings in question.

I have the honor to be,
